THE CLASS OF JANUARY 1941

Barringer High School

NEWARK, NEW JERSEY

Athenarium

Principal's Message

BOARD OF EDUCATION
BARRINGER HIGH SCHOOL
NEWARK, NEW JERSEY
MICHAEL R. MCGREAL, PRINCIPAL

To the Class of January 1941

Having had the privilege of attending Barringer and having absorbed some of the Barringer spirit, you may be leaving with regret because you recall not only the lasting friendships which you have made here but also that the days spent here were, in general, happy ones.

As your paths diverge from here, Barringer has confidence that you will conduct yourself at all times so as to reflect additional glory upon your school.

Barringer is proud to present to the world a group of young people who are ready to implement the promise of the American way of life. You have learned by experience the joy that comes from performing well any task that comes to you. You have developed to the utmost your potentialities and your personalities and you have done these things not through selfish pursuits but through service to your school, your classmates, your family, and your community. Having practiced correct habits of thinking, you have learned to avoid hasty conclusions and you have emerged as rational beings whose actions will be based upon sound judgements.

Barringer expects to keep in touch with your progress and stands ready to help whenever the occasion arises.

Barringer knows that you have the courage to carry on regardless of odds and that you will hurdle many barriers before your hopes and dreams can become realities.

Barringer wishes you success.

M. R. McGreal

Principal's Assistants

To the January class of 1941,
As you look in the past and
view your High School career as a
pleasant and happy memory, may you
attain in the future the fulfillment of
your highest aims and ideals!
Sincerely, Hazel M. Farquhar.

To the class of January 1941:
Congratulations on your past achievements
and best wishes for your future.
I hope that the years which you have
spent at Barringer have brought you
experiences that will help you to meet
the problems and the joys of the
new experiences that lie ahead.
Elsa Disbrow

Advisers

ALICE P. STERNER

PAUL J. SANDERS

To Miss Sterner and Mr. Sanders:

January 1941.

One wintry day four years ago great winds swept across the threshold of Barringer a new crop of children, shivering and awed. We were divided and placed in the hands of several gracious teachers, to "grow and increase in stature and in wisdom." You were among those teachers. During three years you watched as we developed from children to more mature young people. With a kindly smile or an occasional frown you patiently guided and corrected us.

We were glad that you, who have been our friends from the beginning, were chosen to guide us in our last and most important year. Now you watch us, seniors, leave, and a new crop of children enter. You watch another grown family set out into the world and a new one come to be fostered and reared. But to us there is only the one family, and the impressions made here will ever be with us. Our feeling of gratitude cannot be expressed by mere words of thanks. We can only say we will never forget.

THE CLASS OF JANUARY 1941

What did the catalyst
 WALTER J. DUMM
say to the reagent?

With my
 MISS MILDRED C. GREENE
very best wishes

With but
 my *wishes to the*
 MISS A. JANETTE PARMELEE
class Jan 1941

Congratulations
 and best wishes
 as you go out
 to meet a great
 challenge

CLASS SONG

By MABEL FAUX

Through clouds of triumph rising
Her lofty tower we see
Undaunted through the ages,
Courageous, proud and free.

There floats the guardian banner
Of white and royal blue,
The symbol of her loyalty
To all that's fine and true.

And now the future calls us,
Her sons and daughters, forth,
To meet the great world's challenge
To lives and deeds of worth.

In song and sorrow parting
A grander day we see
While Barringer forever
Lives in our memory.

Editorial and Dedication

WE'RE here—at the highest point in our high school career, that of graduation. During the four years of high school we have gone through one of the hardest stages of life—that of growing from childhood into young men and women of tomorrow. Whatever success we have had is to be attributed, not to ourselves, but to the guidance and willing sacrifices of our parents.

We have progressed a long way since that cold day back in February when, bewildered, we first entered the well-worn halls of Barringer. We came here unaware of the world constantly revolving about us, for the majority were still living within the secluded wall our parents had created around us. Today, with more faith in ourselves, we are for the first time to go into the "real" world. It may be by fate that we are more vitally aware of the benefits our parents have given us because we are not, as many of our predecessors, entering into a world of peace but one of war. It is into this state of confusion we are about to step. It is needless to say then that we feel sad as we think of leaving Barringer, the place where we were carefree and unassuming of grave responsibilities. However, our parents, our teachers, and our school have given us confidence to face that which is in store for us.

It is with these thoughts in mind that we fondly dedicate our yearbook, the summary of four well spent years, to our parents, hoping that in the future they will have opportunity to be as proud of us, their sons and daughters, as we, now, are proud and thankful that we have had those who have guided and cared for us to the best of their ability.

Men of Action

CLEM CONERS

In his freshman year, "Bucky" inaugurated the long string of successes which make up his enviable record. In '38 he won the starting position at guard, and in the same year he was awarded a gold football. He played varsity ball in '38, '39, and '40 and won three major B's for his excellent playing during those seasons. Clem also earned a major B for his service on the baseball team in '39, and by his capable work proved himself to be of great value as an all-around athlete. Always a great favorite with everyone, he leaves a void in the hearts of Barringerites.

ERNEST FIRAVANTE

"Ernie" is one of our unproclaimed stars of the baseball diamond. Although he played only one year of baseball, he proved to be good enough to warrant a major letter. He weighs only one hundred and thirty pounds and is five feet, five inches tall, but in spite of his lack of brawn he played a bang up game all season, alternating at the positions of shortstop and second base.

ARTHUR JONES

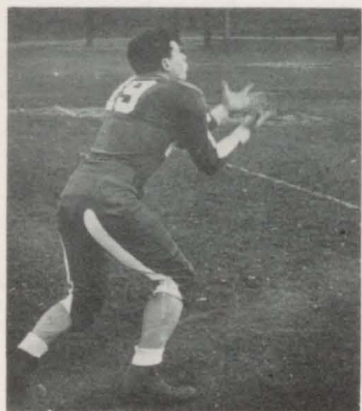

"Jock" is the only member of the class who has played on the tennis team and earned a letter in that sport. His height of five feet, eleven inches, gave him a distinct advantage on the courts, and the power of his one hundred and sixty-five pound frame greatly added to the effectiveness of his game. He played in '39 and '40, earning a letter each year. In '40 he was a member of the city championship tennis team. His favorite sport besides tennis is baseball, although he frequently enjoys watching a basketball or football game.

VIRGINIUS MATTIA

In addition to his activities in the affairs of the school, "Barney" has distinguished himself as a foinlsman. He joined the fencing squad in '38 and received a minor letter in recognition of his ability. The following years, '39 and '40, he was a member of the varsity team and was awarded a major B for each year. He participated in the state meet in '39. Virginius is the only letterman to represent the exacting sport of fencing in this graduating class.

JERRY MERCOGLIANO

"Merk" has been one of our most valued athletes since his entrance into the sports as captain of the '37 freshmen football team. He received minor letters in baseball, '39, and track, '38 and '39, and he earned three major B's for his splendid work on the football team in '38, '39, and '40. As a result of his excellent backfield playing he was placed on the all-city team and was given honorable mention for the all-state eleven. He was awarded a gold football in '38 and was elected co-captain of the '40 squad; also during his scholastic career he was a member of the 4B basketball team. This conquering hero leaves a gap in Barringer sports that will be difficult to fill.

ROBERT TANKOOS

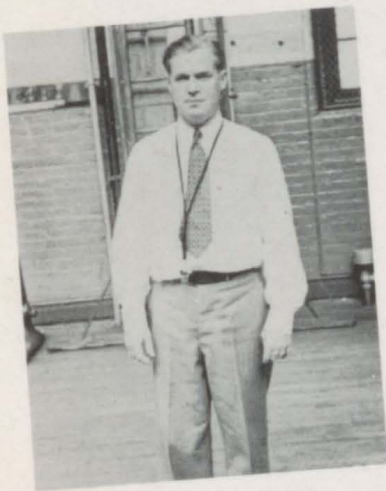

Another departing member of our gridiron aggregation, Bob has treasured since childhood the ambition to play football for Barringer High. In '38 he accomplished this feat and received a minor letter for his efforts on the field. In '39, by courage and hard work, he succeeded in earning a major B, but the year 1940 brought him even more satisfaction—and another major letter. He is five feet, eight inches tall and weighs but one hundred and fifty pounds, which placed him at a disadvantage, but he overcame this obstacle of his lack of weight by skillful and arduous playing. Bob's position on the team might be filled by someone else, but his personality will never be duplicated.

FRED WESTPHAL

The versatile "Freddie" leaves Barringer with an illustrious athletic career in his wake. Fred used his perfect physique to good advantage in five years of football, one of which was on the freshman team. While on the varsity eleven, he earned three major B's, a berth on the all-city team in '39, and honorable mention for the all-state squad. He co-captained the boys in blue in '40, and won honors on the track team in '38 and '40; besides these activities he played three years of baseball and was the captain of the 4B basketball team. His awards include five major B's and a gold football, in recognition of a truly great athlete.

"B" GIRLS

We renew 99% of our contracts . . .

THAT, to us, is the very bed-rock of our existence. It is in itself proof that we have, year after year, rendered the EXTRA service and quality of workmanship which, above all else, gains an organization the reputation of reliability.

In your lives, the careers now just beginning; to fill your contracted obligations . . . you have them, you know, to your families, your friends, your country, and to yourselves . . . just to fill these obligations is not enough. To give more than is expected of you is the answer to success in your jobs, your business and your lives.

We know that you, young Americans, will recognize this truth. We feel certain that through your lives you too will "renew 99% of your contracts."
